

YES SYLLABUS

CLASS : XI (SCIENCE-BIOLOGY)

SL No	Physics	Chemistry	Botany	Zoology
1	Rectilinear Motion	Atomic Structure	Cell Biology	Animal Kingdom – General Account & Non chordates including Protozoa
2	Projectile Motion	Chemical Bonding	Living World	Animal Kingdom – Chordates
3	Relative Motion	Mole Concept	Infinite	Biomolecules
4	Newton's Laws of Motion	IUPAC Nomenclature	Plant Diversity (Biological Classification)	Digestion & Absorption
5	Friction	Structural Isomerism	Plant Kingdom	Breathing and Exchange of Gases
6	Work Power Energy	Periodic Table	Plant Morphology	Body Fluids & Circulation
7	Circular Motion	Gaseous State	Reproduction	Origin and Evolution
8	Centre of Mass	Acidic Strength	Our Environment	
9	Rectilinear Motion	Metals & non-metals	Natural Resources and its management	
10		Carbon and Its compounds
